CELEBRATING
TEN YEARS OF
PARTNERSHIP WITH
THE NATIONAL PARK
SERVICE

The Trust for the National Mall is dedicated to sustainably restoring, improving and preserving the National Mall for present and future generations. Stretching from the U.S. Capitol to the Lincoln Memorial, the beloved but well-worn National Mall hosts 36 million visits a year but requires more than \$840 million in deferred maintenance and needed upgrades. This public-private partnership is a model for bringing critical resources to the home of the enduring symbols of American democracy.
